Dear Sir:

Sir Edmund Walker has sent me a copy of your letter to him in which to our great satisfaction you state that you will in all protability be able to come to Toronto for the Commencement which is to take place on Friday, May 17, and receive the honorary degree of Doctor of Laws.

I do not need to assure you that we are greatly pleased to know of your acceptance of our invitation and now that I am able to report favourably I will have the matter brought before our Senate and in due time you will receive a formal announcement of the action of the Senate; probably in the month of April.

Would you be kind enough in the meantime to count on Friday, May 17th, as a fixture ? We will communicate with you later as to entertainment and any other details that may be necessary for your comfort while you are here.

I am, Yours sincerely,

President.

The Right Honourable
The Earl of Reading.

Dear Sir Robert Falconer,

Many thanks for your letter of April 18th. Though there is, as I am sure you will understand, a great pressure of official work here, I am in hopes that nothing will arise to prevent my visiting Toronto on May 17th.

Yours sincerely,
